**REPORT AND RECOMMENDATION**

Pursuant to W.D. MICH. L.CR.R. 11.1, I conducted a plea hearing in the captioned case on September 21, 2007, after receiving the written consent of defendant and all counsel. At the hearing, defendant Danny Ronald Lego entered a plea of guilty to Counts One and Five of the Indictment in exchange for the undertakings made by the government in the written plea agreement. Count One charges the defendant with sexually exploiting a child in violation of 18 U.S.C. § 2251(a). Count Five provides for the forfeiture of visual depictions and matter containing such visual depictions; and any property, real or personal, used or intended to be used to commit or promote the commission of violations of 18 U.S.C. §§ 2251, 2252 and 2252A. On the basis of the record made at the hearing, I find that defendant is fully capable and competent to enter an informed plea; that the plea is made knowingly and with full understanding of each of the rights waived by defendant; that it is made voluntarily and free from any force, threats, or promises, apart from the

promises in the plea agreement; that the defendant understands the nature of the charge and penalties provided by law; and that the plea has a sufficient basis in fact.

I therefore recommend that defendant's plea of guilty to Counts One and Five of the Indictment be accepted, that the court adjudicate defendant guilty, and that the written plea agreement be considered for acceptance at the time of sentencing. Acceptance of the plea, adjudication of guilt, acceptance of the plea agreement, and imposition of sentence are specifically reserved for the district judge. The clerk is directed to procure a transcript of the plea hearing for review by the District Judge.
